- **No School** Monday, April 8th for the Solar Eclipse.
- 4th, 5th, 6th grade Spring Music performance is set for April 9th.  
*-1:00pm for the school day show and 6:30pm for the evening show*
- State Testing for 3rd-6th grade will begin in April; specific dates to come.

#### *Eclipse Information:*

As a result of being awarded a grant, and thanks to the efforts of our Middle and High School Science teachers, all students will have some exciting upcoming opportunities to learn about the eclipse. Activities will include student visits to the portable Imagination Station Star Planetarium presentation on March 22nd or April 2nd. Students will also visit individual station exhibits as part of an Earth and Space Science Festival put on by our Science National Honor Society on March 22nd.

Interactive and educational space kits have also been prepared by the Hancock County Education Service Center for individual classrooms to explore and learn, including a variety of engagement activities.

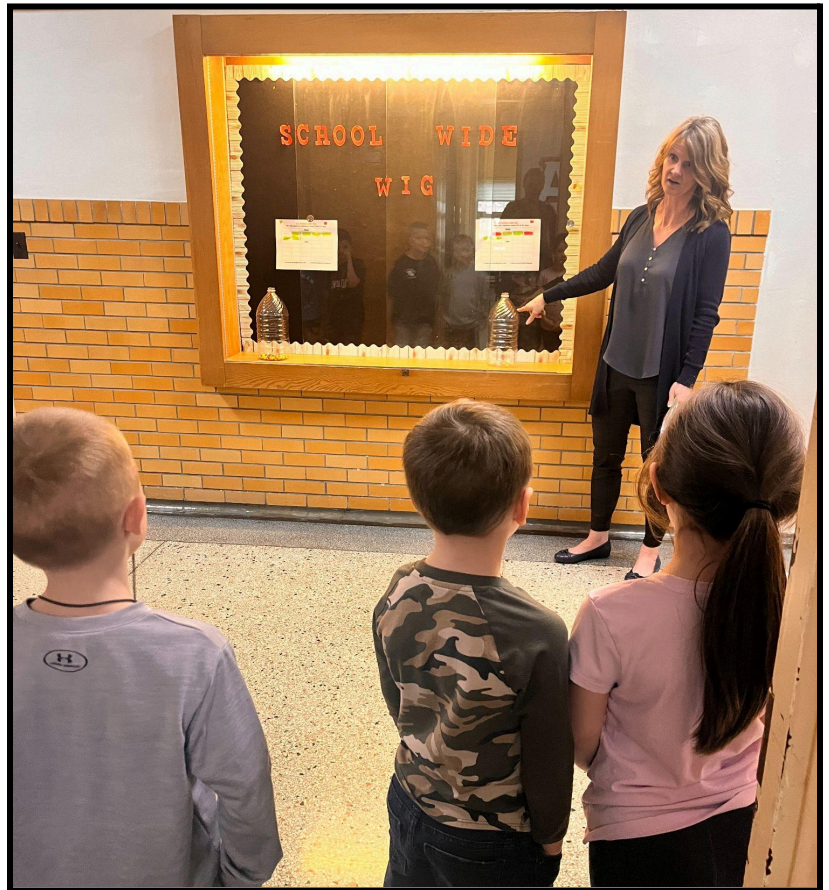

Please be aware that every student and teacher in our district will be receiving 2 pairs of Solar Eclipse Glasses! The additional pair of glasses will allow students to share with another member in their family for eclipse day viewing. Glasses will be distributed AFTER SPRING BREAK.

## School Wide WIG

For the first time, Arlington Elementary is working towards a School Wide WIG, or “Wildly Important Goal.” This WIG is an initiative for our students to keep the cafeteria clean. The WIG began February 20th and will end on March 28th. The goal for both lunch periods (K-2 and 3-6) is to keep the cafeteria clean 22 out of 28 days. So far, K-2 has kept the cafeteria clean 7 of 8 days; 3-6 has kept the cafeteria clean 5 of 8 days.

WIGS aren’t just a great tool for school; they are great when utilized at home. What goals can you work towards as a family?
