## *Staff Spotlight*

We are pleased to announce that Mrs. Crawford has been selected as the staff spotlight feature for the second quarter! Mrs. Crawford is currently a fourth grade teacher, but she has bounced all around the building, once serving as the student services coordinator, another as the fifth grade math/science teacher, and coaching jr. high sports. She also spent 13 years homeschooling her own children.

Did you know that Mrs. Crawford's first teaching job was not at Arlington? In fact, it was not even in the United States! Mrs. Crawford's first teaching job was in Managua, Nicaragua, which is where she met her husband. She has also spent time teaching in Jacksonville, Atlanta, and Toledo before landing here in Arlington. We are so happy to have her here. Mrs. Crawford's favorite part of teaching at Arlington is working with the students, teachers, and staff. "We have great leaders at Arlington." When she is not teaching, she loves to be outside and spending time with her four grandbabies.

Courtesy of the PTO, Mrs. Crawford has received a gift card for being the recipient of the staff spotlight. Thank you for all of your hard work, Mrs. Crawford!
