Last Day of School Fun

We are happy to announce the return of our K-4th Grade Field Day and the 5th-6th Grade Amazing Race! Thank you to Mrs. Stahl, Mrs. Beach and Mrs. Clark for coordinating the Field Day activities. Thank you to Mrs. Ernst, who once again is coordinating the Amazing Race. We are hoping for nice weather and looking forward to a positive and fun last day of school.

There is a 2-hour early release on the last day of school - May 26th. We are asking that students remain at school until the end of the school day at 1:00pm. With all the activity and movement throughout the school, in addition to changed schedules, it becomes very difficult to monitor students who are checking out early. For the purpose of maintaining safety and the responsibility for the whereabouts of all students, please DO NOT plan to sign your child out early this school day. Please note that students will **have lunch** at school on the last day. Parents who are volunteering for the field day will simply need to return at 1:00 to pick up their child from school or utilize the school buses like other early release days.
