# ARLINGTON RED DEVILS

**Leader in Me:** Arlington Elementary will continue to practice the 7 Habits of Happy Kids through the Leader in Me program this school year. For the month of October, the schoolwide focus will be Habit 1: Be Proactive. This year, we are implementing Synergize Sessions on the second Friday of the month; our first session will be held on the morning of October 13. Students in grades 1-3 will be paired with a mentor student from grades 4-6. We are very excited for the direction of the Leader in Me program this year!
