- Parents, thank you for your cooperation in using the curbside drop off in the mornings. Safety is our number one priority and your patience is appreciated. So far, drop offs have been smooth; thanks again for your efforts.

- **Update from Guidance:**

- Parents/Guardians: You should have received a sign-up form from your child(ren)'s homeroom teacher regarding group counseling sessions. These sessions are optional and are designed for students who would benefit from the experience. After reading the form, if you choose to sign up your child(ren) for group counseling, please sign and return the form to your child(ren)'s teacher by Wednesday, September 14th. Group counseling sessions will be determined by student interest. We had a lot of fun last year with group counseling sessions, and I am looking forward to getting started in the near future!
